

Electrical Modular Assembler

Plexpack Corp. Scarborough Ontario

Plexpack has an immediate opening for an individual in assembly manufacturing.

Company Overview

Plexpack Corp. delivers flexible packaging machinery solutions and certain results for customers worldwide. Our Emplex Bag & Pouch Sealing, Damark Shrinkwrap & Bundling Systems and VacPack Vacuum Gas Flush Sealers are customizable, made-to-order with the unique needs, reputation and budget of our customers in mind. Modular and innovative designs are easy to install, maintain, and expand. They provide line and product flexibility, and ensure our customers' packaging operations perform to their own highest standards. Plexpack is growing and is looking for an addition to our modular assembly team to build high quality, reliable equipment modules, options and full equipment builds. Please learn more about our products and see the equipment the right candidate would have a hand in building at plexpack.com

Position Responsibilities:

- Performing bench type assembly processes to complete sub-assemblies from part kits using hand, electronic, and pneumatic tools.
- Assembly of electrical harnesses, panels, sub-assemblies and control boxes for final equipment builds
- Some electrical wiring to be completed in control boxes on machinery also required
- Read work orders and work within an assembly group to achieve quality and efficient builds
- Perform manufacturing assembly operations and various tasks following procedures, bills of materials, work instructions, and schematics / drawings
- Work to be completed to set production standards and schedules.
- Additional responsibilities include, but are not limited to completing production work orders, retrieving kits from inventory cage, reporting part/assembly issues to Modular Assembly Lead Hand, and other duties as assigned.
- Must follow all safety and quality procedures company wide
